

IBMhq Test Case Execution Report

Test Case Name:Generate Proposal

Requirement Name: CX CPQ

Execution Start Time:2020-08-15 18-35-38

TOTAL STEPS	STEPS PASSED	STEPS FAILED	OVERALL STATUS	DEFECT LIST
17	16	1	Fail	1

Step No:1

Step Description: Click on Save

Expected Result: Txn Saved

Actual Result: null

Status: Fail

The screenshot displays the 'icumedical human connections' web application interface. At the top, the logo is on the left, and navigation icons (home, settings, user, etc.) are on the right. Below the header, a 'Transaction' section shows a progress bar with four stages: 'Start', 'In Progress', 'Pending Approval' (highlighted in blue), and 'Approved'. To the right of the progress bar are buttons: 'Cancel Transaction', 'Update Opportunity', 'Return to Sales Cloud', and 'Pipeline Viewer'. Below this, another 'Transaction' section contains tabs: 'Transaction Details', 'Customer Details', 'Approvals', 'Contract Details' (selected), and 'Troubleshooting and Support Controls'. The 'Contract Details' tab is active, showing 'Contract Info' and 'Contract Documents'. Under 'Contract Info', there are fields for 'Currency: USD', 'Contract Start: 28/04/2020', 'Date', 'Contract: English', and 'Contract End: 28/04/2021'. A 'Generate Contract' button is present. Under 'Contract Documents', there is a toggle for 'Include Product Literature' and a link to 'EN.pdf'.
