By.xpath: //table[@summary='Customers']/tbody/tr/td[2]/span/a (tried for 30 second(s)  
with 500 milliseconds interval)

Status: Fail

The screenshot displays the Oracle Accounts application interface. At the top, there is a navigation bar with the Oracle logo and several icons. Below the navigation bar, the page title "Accounts" is visible. The main content area features a search bar with the text "Find Name" and a search icon. To the right of the search bar are buttons for "List", "Advanced Search", and "Create Account". Below the search bar, there is a section for "Advanced Search" with a close button (X). This section includes a "Saved Search" dropdown menu set to "My Accounts", a "Record Set" dropdown menu set to "Equals", and a "Name" dropdown menu set to "Starts with". A text input field contains the text "Test Automation Framework 002". Below the input field are buttons for "Search", "Reset", "Save", "Add", and "Reorder". To the right of the "Advanced Search" section, there is a "View" dropdown menu and a table with columns: "Favorite", "Name", "Address", "Primary Contact", "Contact Phone", and "Industry". The table currently displays "No results found."
