

IBMhq Test Case Execution Report

Test Case Name:Delete Transaction

Requirement Name: CX CPQ

Execution Start Time:2020-08-13 23-16-16

| TOTAL STEPS | STEPS PASSED | STEPS FAILED | OVERALL STATUS | DEFECT LIST |
|-------------|--------------|--------------|----------------|-------------|
| 41 | 15 | 26 | Fail | 1 |

Step No:1

Step Description: Wait for Transaction Page

Expected Result: Waited

Actual Result: Expected condition failed: waiting for presence of element located by:
By.xpath: //span[text()='Delete Transaction'] (tried for 30 second(s) with 500 milliseconds interval)

Status: Fail

The screenshot displays the 'icumedical human connections' web application. At the top, there is a navigation bar with the company logo and a set of icons for home, settings, user profile, and other functions. Below the navigation bar, a 'Transaction' section is visible, featuring a workflow diagram with four stages: 'Start', 'In Progress' (highlighted with the icu logo), 'Pending Approval', and 'Approved'. Below the diagram, there is a 'Transaction' details panel with tabs for 'Transaction Details', 'Customer Details', 'Contract Details', and 'Troubleshooting and Support Controls'. The 'Transaction Details' tab is active, showing fields for 'Opportunity Name', 'Status', 'Created Date', 'Cancel Reason', 'Transaction Number', 'Win/Loss Status', 'Last Updated', 'Prepared By', and 'Version'. The 'Cancel Reason' and 'Cancel Explanation' fields are currently empty.

Step No:2

Step Description: Click on Delete Transaction

Expected Result: Clicked

Actual Result: null

Status: Fail

The screenshot displays the 'icumedical human connections' web application interface. At the top, the logo 'icumedical human connections' is on the left, and a navigation bar with icons for home, settings, user, and other functions is on the right. Below the header, a 'Transaction' section contains a horizontal pipeline with four stages: 'Start' (blue circle), 'In Progress' (blue circle with 'icumedical' logo), 'Pending Approval' (white circle), and 'Approved' (white circle). Above the pipeline are buttons: 'Save', 'Submit', 'Cancel Transaction', 'Update Opportunity', 'Return to Sales Cloud', 'Add Products', and 'Pipeline Viewer'. Below the pipeline, another 'Transaction' section shows tabs for 'Transaction Details', 'Customer Details', 'Contract Details', and 'Troubleshooting and Support Controls'. The 'Transaction Details' tab is active, displaying fields for Opportunity Name, Transaction Number, Version, Status, Win/Loss Status, Prepared By, Created Date, Last Updated, and Cancel Reason/Explanation.

Step No:3

Step Description: Wait for automatic redirection to Deals Page

Expected Result: Waited for Deals Page

Actual Result: Expected condition failed: waiting for presence of element located by:
By.xpath: //*[@id="search"] (tried for 30 second(s) with 500 milliseconds interval)

Status: Fail

The screenshot displays the ICU Medical Human Connections portal. At the top, the logo "icu medical" is visible with the tagline "human connections". To the right of the logo is a navigation bar with icons for home, settings, user profile, and other functions. Below the navigation bar, there is a section titled "Transaction" with a sub-header "Transaction". This section contains a workflow diagram with four steps: "Start", "In Progress" (highlighted with the ICU Medical logo), "Pending Approval", and "Approved". Below the workflow diagram, there is a "Transaction" section with tabs for "Transaction Details", "Customer Details", "Contract Details", and "Troubleshooting and Support Controls". The "Transaction Details" tab is active, showing the following information:

| | | | |
|---------------------------------------|------------------------------|--------------------------------|--|
| Opportunity Name: TestOptname_testing | Status: Created | Created Date: 13/08/2020 | Cancel Reason: <input type="text"/> |
| Transaction Number: CPQ-380 | Win/Loss Status: In Progress | Last Updated: 13/08/2020 05:07 | Cancel Explanation: <input type="text"/> |
| Version: 1 | Prepared By: Test User1 | Last Updated By: Test User1 | |

Step No:4

Step Description: Click on Search Transaction

Expected Result: Clicked on Search Transaction

Actual Result: null

Status: Fail

The screenshot displays the 'icumedical human connections' web application. At the top, the logo 'icumedical' is followed by the tagline 'human connections'. To the right of the logo is a navigation bar with icons for home, settings, user profile, and other functions. Below the header, the main content area is titled 'Transaction'. On the right side of this section are three buttons: 'Update Opportunity', 'Return to Sales Cloud', and 'Pipeline Viewer'. The central part of the screen shows a horizontal flowchart representing a transaction pipeline. It starts with a blue circle labeled 'Start', followed by an arrow pointing to another blue circle labeled 'In Progress', then another arrow to a third blue circle labeled 'Pending Approval', and finally an arrow to a blue circle with the 'icumedical' logo and the word 'Approved' below it. Below the flowchart, there is a section titled 'Transaction' with four tabs: 'Transaction Details' (which is selected), 'Customer Details', 'Contract Details', and 'Troubleshooting and Support Controls'. Under the 'Transaction Details' tab, the following information is displayed in a grid-like format:

| | | | | | | | |
|---------------------|----------------------|------------------|------------|------------------|------------------|---------------------|--|
| Opportunity Name: | TestOptynome_testing | Status: | Approved | Created Date: | 13/08/2020 | Cancel Reason: | |
| Transaction Number: | CPQ-380 | Win/Loss Status: | Won | Last Updated: | 13/08/2020 05:07 | Cancel Explanation: | |
| Version: | 1 | Prepared By: | Test User1 | Last Updated By: | Test User1 | | |

Step No:5

Step No:7

Step Description: Explicit wait for Transaction ID

Expected Result: Explicit Wait

Actual Result: Expected condition failed: waiting for presence of element located by:
By.xpath: //*[@id="specialFields_inputs_list_1"] (tried for 60 second(s) with 500
milliseconds interval)

Status: Fail

The screenshot displays the ICU Medical software interface. At the top, the logo "icumedical" is visible with the tagline "human connections". To the right of the logo are several icons: a home icon, a gear (settings), a person icon, a document icon, a calendar icon, and a user profile icon.

The main content area is titled "Process: ICU Medical". It features a sidebar on the left with a tree view of steps. The tree view includes a "Filter" input field, a "Back" button, a "Translations" button, and an "Add Step" button. The tree view shows a hierarchy of steps: "Start", "In Progress", "Admin", "Alternate Order", "Cancel Approvals", "Cancel Transaction", "Customer Rejection", "Delete Transaction", "Request Approval", "Save", "Submit" (highlighted in yellow), and "View Next Step".

The main table lists the steps with their names, variable names, and descriptions. The table has three columns: "Step Name", "Variable Name", and "Description".

| Step Name | Variable Name | Description |
|---------------------------|----------------------------|---|
| Start | start_step | Default Step |
| In Progress | pending_process | The transaction is being edited prior to sending to the customer or ordering. |
| Waiting for Approval | waitingForInternalApproval | The transaction is locked awaiting approval from management. |
| Approved | approved | The transaction has all necessary internal approvals. |
| Waiting for Signature | waitingForSignature | The transaction is awaiting customer approval before being ordered. |
| Signed | signed | The customer has signed the contract. |
| Ordered | orderedBeingFulfilled | The order has been sent to the fulfillment system. |
| Being Changed / Canceled | beingChangedCanceled | This is a copy of a transaction that is currently being fulfilled that the customer wants to change. N... |
| Fulfilled | closedFulfilled | The order has been fulfilled and no further changes are possible. |
| Canceled | canceled | The entire order has been canceled. |
| Rejected By Customer | rejectedByCustomer | The customer decided not to move forwards with the proposed transaction. NOTE that transitions, ... |
| Alternate Version Ordered | alternateVersionOrdered | The customer chose to move forwards with a different version of the same proposal. This version i... |
| Deleted | deleted | The transaction has been deleted. |

The screenshot shows the ICU Medical Deployment Center interface. At the top, there is a header with the ICU Medical logo and navigation icons. Below the header, the main content area is titled "Deployment Center" and includes a sub-header "Process : ICU Medical". The interface is divided into several sections:

- Event Type:** A list of radio buttons for "Deploy" (selected), "Clone", "Repopulate Column Data", and "Delete Process".
- Send Confirmation Email To:** A section with two radio buttons: "Do not send email" (selected) and "Email to: gaurav.mplain@in.ibm.com".
- Scheduled Time:** A text field containing "13/08/2020 13:55" and an "Add Event" button.
- Last Deployed:** A section showing "13/08/2020 13:55".
- Table:** A table with columns "Select", "Description", "Status", "Message", and "Scheduled Time". Below the table, it states "No events are currently scheduled to run."
- Test to Production Migration:** A section with two buttons: "Export Process" and "Import Process".
- Footer:** A "Back to Top" link and three buttons: "Refresh", "Generate Schema and WSDL", and "Back".

The screenshot displays the 'icumedical human connections' web application. At the top, the logo 'icumedical human connections' is on the left, and a navigation bar with icons for home, settings, user, and other functions is on the right. Below the header, a 'Transaction' section contains a horizontal pipeline with four stages: 'Start', 'In Progress' (highlighted with the icu logo), 'Pending Approval', and 'Approved'. To the right of the pipeline are buttons: 'Save', 'Submit', 'Cancel Transaction', 'Update Opportunity', 'Return to Sales Cloud', 'Add Products', and 'Pipeline Viewer'. Below this, another 'Transaction' section has tabs for 'Transaction Details', 'Customer Details', 'Contract Details', and 'Troubleshooting and Support Controls'. The 'Transaction Details' tab is active, showing fields for Opportunity Name, Transaction Number, Version, Status, Win/Loss Status, Prepared By, Created Date, Last Updated, and Cancel Reason/Explanation.
